

“We support Mustard Seed International because the ministry and volunteer staff are committed to expanding God’s Kingdom through church planting, the education and care of children and serving the needs of the sick. Most importantly, during these activities, the Gospel message of hope and salvation is shared with people in need of a Savior.”

Bill and Jan, Orlando, Florida

“One of my earliest memories of missions was my parents supporting a young girl through Mustard Seed. Decades later, it is exciting that my wife and I can still see Mustard Seed changing lives around the world as we support this evangelistic ministry.”

Corey and Holly, currently stationed in Stuttgart, Germany

“In the mid-60’s, on a Fulbright Fellowship, my father taught in Taiwan. Early on, my mother began supporting Lillian Dickson’s Mustard Seed Mission. That led to my becoming a long-time supporter, too. I know every dollar I contribute to MSI goes directly towards spreading the Gospel through Christian schools, churches, medical work and indigenous pastors that are trained and supported by Mustard Seed.”

Betty Ruth, Blacksburg, Virginia

“My wife and I have chosen to support Mustard Seed International for over 50 years. The reason is simple: MSI provides the material needs of people as an opportunity to meet their real need, Jesus Christ. Since the staff of MSI are all volunteers, our contributions go toward ministry activities on the missions field rather than for administration here in the States.”

Bill and Peggy, Granada Hills, California

“We are excited about the work Mustard Seed is doing in Southern Sudan. The MSI medical mission in Akot is helping reduce deaths from preventable diseases while bringing hope through the Gospel of Jesus Christ.”

Nicky and Angel, Birmingham, Alabama
